

Analysis and Insights of WeRateDogs Twitter archive

1. WeRateDogs Tweets have reduced over the course of 3 years

A Twitter account called WeRateDogs, which was created in 2015, tweeted often at the beginning. For instance, it tweeted about 300 times in the month of November 2015, and then 350 times the very next month. Its tweeting activity, however, substantially decreased in the months that followed, averaging below 70 since April 2016

2. WeRateDogs tweeted 98 percent of its tweets from an iPhone

WeRateDogs make use of iPhone devices to post tweets. Out of 1907 tweets made, 1874 tweets were made from iPhone.
